A- CALL TO ORDER- Meeting Start – 7:30pm. Attendees are as indicated above.

B- GENERAL ANNOUNCEMENTS

Welcome to Tim Barry, liaison from Parks and Rec Dept.

May/June minutes: Gary moved to approve, Duff seconded, all in favor.

Discussion of ways to acknowledge the contribution and passing of Paul de Senna, who refereed the second or third-most games last year, and was a multi-decade contributor to AYSO. Acknowledgment at opening day parade. Consider naming the cup after him this year. Consider naming the referee of the year award after him.

Discussion of badging requirements for 2018. Definitely need for U14G inter-regional play. DB: liability with or without badges is the same. Only practical reason to require them is to avoid multiple people and non-coaches on the sideline. LR: DCs ought to be checking fields every weekend, but Blue Sombrero doesn't work for easily checking certifications. DB: Refs cannot ask to see U16/U19 Medical Release forms. JH: No badges, check game card. DCs should've confirmed qualifications at start of season. DA: Referee cannot ask for medical forms of U16/19 teams. DB: Refs should check roster for coach's names, confirm only two adults per team on sideline, be made aware of any substitute coaches, make a note on cards with any exceptions. Board voted to not have badges except for U14G.

NAGM recap: HG: U8 throw-ins reallocated. U12 punting reallocated (although this came ahead of NAGM). U14 unlimited substitutions was voted down. Fee increase was approved (to \$20). Volunteer fee was approved earlier by the national board – it pays for a continuous background check. Region will need to discuss how to deal with fee increases, how it might affect our rates, how to fairly spread the cost.

D- REGIONAL TREASURER REPORT

No	ITEM	ACTION	DATE	STATUS
3-01	No Update	GR	3/13/18	CLOSED
5-01	Review of coming year's budget. Closely models last year's, with higher uniform costs and lower field expenses, due to fewer goals needing to be replaced. TW to update figures in NAP online and submit to National office by June 1 deadline. BB motioned to approve budget. GR seconded. All present approved budget with discussed amendments.	TW	5/15/18	CLOSED
5-02	Confirm JH and HG as additional authorized signers. All in favor, none opposed.	GR	5/15/18	CLOSED
8-01	No update	HG	8/15/18	CLOSED

E- REGISTRATION				
No	ITEM	ACTION	DATE	STATUS
2017-01	GR proposed firmer deadlines to ease management in future years, working backwards from season start: Saturday after Labor Day, games start; Aug. 13, first practice; Aug. 3, coaches packets out; July 27, coaches in place; July 20, send note about dropping players if we don't get coaches by July 27; July 9, notify parents of volunteer gaps; Registration flier, mention all players waitlisted after last in-person event; Schedule early training in April/May, end of summer so coaches can plan; Download volunteer apps more regularly throughout this process.	GR	9/12/17	CLOSED
	<i>Action: GR to update calendar (done)</i>			
3-01	Need rates for to include in flyer for rec center catalog. Increased by \$10 for in and out of town participants to cover field contributions and increasing costs of uniforms (\$150/\$235 for early bird; \$190 / \$275 late). Jean also has supply of paper suppliers – ask if you want some.	JG	3/13/18	CLOSED
3-02	On line registration is now live (“waitlist” for now). Also sign up to volunteer. 75 players registered so far.	JG	3/13/18	CLOSED
3-04	Yard signs – Jean has some; Gary has more to hand out	JG+GR	3/13/18	CLOSED
4-01	Registration events in other Regions – Region 63 is an outlier by requiring everyone to come in. Most others allow online payment. GR: propose that U14-U19 do not need to come in. Base on which areas we are short on volunteers. Make up to and including U12 come in. BB: Some regions go all out and make it more of a real event. LR: can we allow signed up volunteers to pay online? BB – yes we did something like this last year (pain to do, but keeps people happy).	GR	4/11/18	CLOSED
	<i>Action: BB to take registered volunteers and signed up U14+ players off wait list and e-mail them that they can pay on line.</i>			
4-01	Advertising for sign-up days BB: Jumbotron on Broadway is no longer Mike Harvey (Ocean Honda); City is pushing to have more community announcements. Does anyone know who to contact to have a Region 63 announcement posted? GR: Grab a yard sign from Jean, but keep them out of the sidewalk strips and other public property.	JG+GR	4/11/18	CLOSED
	<i>Action: JG to order posters to distribute in businesses in downtown B'game.</i>			
5-01	JG to send messages to last year's parents not signed up for 2018; this year's parents who registered online but haven't paid.	JG	5/15/18	CLOSED
8-01	Discussion of registration process and how to deal with waitlist. Consider a July 1 sign-up deadline, after that it's first come first served, although there are special cases (deaths in family, etc. that are out of the family's control). Currently waitlist is frozen, batching kids in by division and anticipating switch requests, which is often a good time to bring new players in to fill holes created.	JG	8/15/18	CLOSED
8-02	Discussion of ideal team sizes, considering most divisions have kids on waitlist. DB: At U12, 13 on a team is tough to coach, leads to kids sitting out half the game. With smaller fields, hard to fit more players than standard on teams/fields. JH & LR: Against opening of waitlist. Separate votes held by division on opening waitlist. Yes at U7/8, where team size is less of an issue. Yes at U10, where 8v8 could be played on teams w/ 11 players. No at U12.	JG	8/15/18	CLOSED

No	ITEM	ACTION	DATE	STATUS

8-01	LR: Request to start with U5/6 divisions. GR: Consider having some of cheer squad visit with younger kids. DCs asked to help corral teams and parents.

3-01	Winter league coverage around 80% for all positions; missed some AR slots. Next year want to start drumming up support for Winter League during Fall season. One weekend off for each region was not that helpful.	DA	3/1	CLOSED
3-02	Cup Volunteer Points program. At U10 every team must provide a referee and they earn points for the team; 8 points must be accumulated to go to Burlingame Cup. Meeting tomorrow with coaches and referees. Need to consider how to recognize returning referees (half point per game?). Encouraging referees at U8 is very useful; need to decide how much effort to put into this. Consider making one coach official referee at each game (with official uniform). P- WINTER SELECT

No	ITEM	ACTION	DATE	STATUS
3-01	Season went well. Refereeing was of a high quality (both technically and giving feedback to players and coaches). SM and HB dominated in almost all divisions. Coaches across regions were good (no complaints to AK). Splitting U12 to U12 / U11 lead to some teams struggling to field a team. Could probably field more U10 teams (only 10 per roster). Costs down vs. 2017 (no high school and cheaper uniforms; but new uniforms were not liked). Likely back to Score next year; include warm up jackets? 90-minute practices would be helpful (rather than 60) – Murray weekday practice is a possibility.	AK	3/13/2018	CLOSED

Action: AK to investigate uniforms and jackets.

3-02	DB: discussion at Expo: many teams also play in Fall Bay Area Soccer league and PCSSL so have an unfair advantage in the Winter League.	DB	3/13/2018	OPEN
------	---	----	-----------	------

Action: DB and AK to consider options. GR to raise topic at Area meeting.

3-01	<p>Burlingame Cup – Need to emphasize that this is not a playoff but a separate tournament by invitation only. Keeping standings is counter-productive to the extent it encourages winning at all costs for better seedings. Standings are useful for coaches to quickly see how they might adjust before meeting an opponent.</p> <p><i>Action: DB to include in coach meeting materials.</i></p>	GR	3/13/18	CLOSED
3-02	<p>NAGM Issue: Board nominee or SD nominee. BB provided details of voting process. Mike Morrissey (2C – Concord area) is new Section Director. 3-03	<p>Note that National fees to increase from \$17.50 to \$20 per player; Regions will have to pay this. Also new fee proposed of \$25 per volunteer (National involved in lots of law suits). National proposes that either volunteers pay or Region picks up the tab (or pass cost onto teams – could be \$7-\$8 per player). Both items will be voted on at NAGM. Board is invited to send thoughts to HG, who plans to attend NAGM on Region 63's behalf.</p> <p><i>Action: HG to report back on results of NAGM vote in June.</i></p> <p><i>Update 6/5:</i> HG: NAGM attendees will only vote on \$2.50 fee increase. \$25 yearly volunteer background check has already been approved by National board. 4-01	<p>BAFSL (Bay Area fall soccer league) – fall program, generally with higher level of play; Region 63 not currently participating.</p> <p>Nanette Chandra: Request to start participating at U16/U19G. Many players in this age group are not happy with club teams and several local club teams have folded; few other options. Ideally want a year-round program. Try-outs</p>	GR	4/11/2018	CLOSED

	<p>would be fine; ideally need a roster of at least 18 players to be viable given other commitments of teenagers.</p> <p>GR: "tournament teams" would impact other AYSO activities (fields for games and practices; coaches & referees).</p> <p>DB. Run the risk of draining talent away from the regular AYSO teams, especially during fall season.</p> <p>BB: Most of the BAFSL teams are in the East Bay; U10 – U19 divisions. Programs can be concurrent (players in BASFL and core program teams; 2 games per week) or side-by-side (no participation in core program). BAFSL teams could be concurrent or side-by-side. Often lose good coaches from core program (3-4 per division). Tryouts are not mandated but probably should happen to make sure all potential players have a chance.</p> <p>DB: side-by-side could work but we need to make sure that the appeal would get more kids playing soccer so as not to detract from core program teams (both players and volunteers). Highly likely that HB and SM will have BAFSL teams.</p> <p>AK: interested in younger divisions; ideally a concurrent program so as not to dilute from core program. Registration deadline is in July for BAFSL.</p> <p>LR: keep U10-U14 separate from U16-U19. If organizer of BASFL team can get most of a team and appropriately qualified coaches lined up, then it could still work with minimal impact to core teams.</p> <p>HG: Will pole RCs from other Area 2N regions to see what they are planning to do.</p> <p>NC: Important to start thinking about spring program during fall registration.</p> <p>EA: Start signup for potential BAFSL at onsite registration or send out survey.</p> <p><i>Action: Discuss further at next meeting.</i></p> <p>Update 5-01: GR: 19U girls who prompted this discussion are encouraged to sign up for regular fall program, perhaps lifting its competition level. Setting up separate BASFL 19UG program a lot to take on, will require tryouts, may not have enough players, could weaken core program, especially if run side by side.</p>
